1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted within the time period set forth in the final Office action.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action.

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Response to Amendment

1. In addition to the matters noted on the PTOL-324 the Examiner has reviewed the claims filed 1-18-05 and determined that claims 1, 3, 4, 6-7 and 11-25 would now be considered to read on the elected species as requested by Applicant. Therefore, Applicant may desire to file a listing of the claims and parentheticals along with the response to this Office Action reflecting such. Finally, clarification of Applicants position in the paragraph bridging pages 16-17 is requested, i.e. is Applicant arguing that the multiple terms describe different things or that they are the same thing but can be described by different terms? In the latter case, why if structures are the same isn't the same term used to describe such regardless of the fact that it may be described by any number of terms? Again see MPEP 608.01(o).

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Karin M. Reichle whose telephone number is (571) 272-4936. The examiner can normally be reached on Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Larry Schwartz can be reached on (571) 272-4390. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
